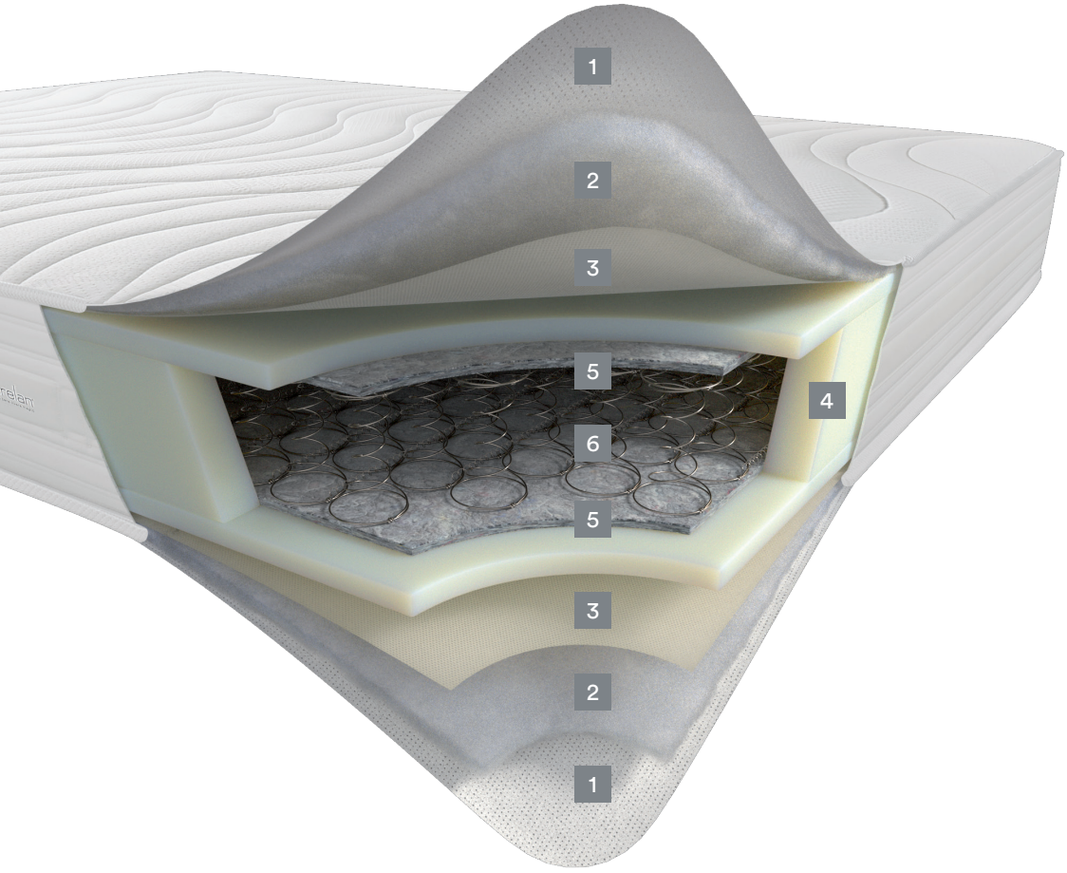
IGIENE GARANTITA PER MATERASSI E GUANCIALI®

- **Widths:**
  All widths are available from 70 to 200 cm at the standard cost indicated in our price lists.
- **Length and depth:**
  Lengths or depths are available from 178 to 212 cm at the standard cost indicated in our price lists.

Products with sizes larger than those above mentioned should be considered oversized products and they will have additional costs, calculated per square meter. You can find the extra cost in our net and public price lists.

DORELAN TECHNOLOGY



1. Polyester microfibre fabric
2. Polyester microfibre
3. Highly resistant fabric
4. Box System
5. Reinforcement felt
6. Bonnel springs

Bonnel Interconnected Springs
A reliable solution which thanks to the interconnected spring system ensures excellent durability over time, perfect mattress stability and the utmost resistance to deformation.

Compact Cover
Solid and resistant, perfectly balancing aesthetics and functionality thanks to the six hide-away handles integrated in the side band.

Fabric
Elastic and hygienic thanks to the quality of polyester microfibre it contains.

Padding
Hygienic, breathable and resistant, thanks to both sides made of polyester microfibre.

Fixed Cover
Excellent stability of cover over inner structure.
